Public Transport

Car parking around the central hospitals is extremely limited so public transport is often the easiest way to get to us.

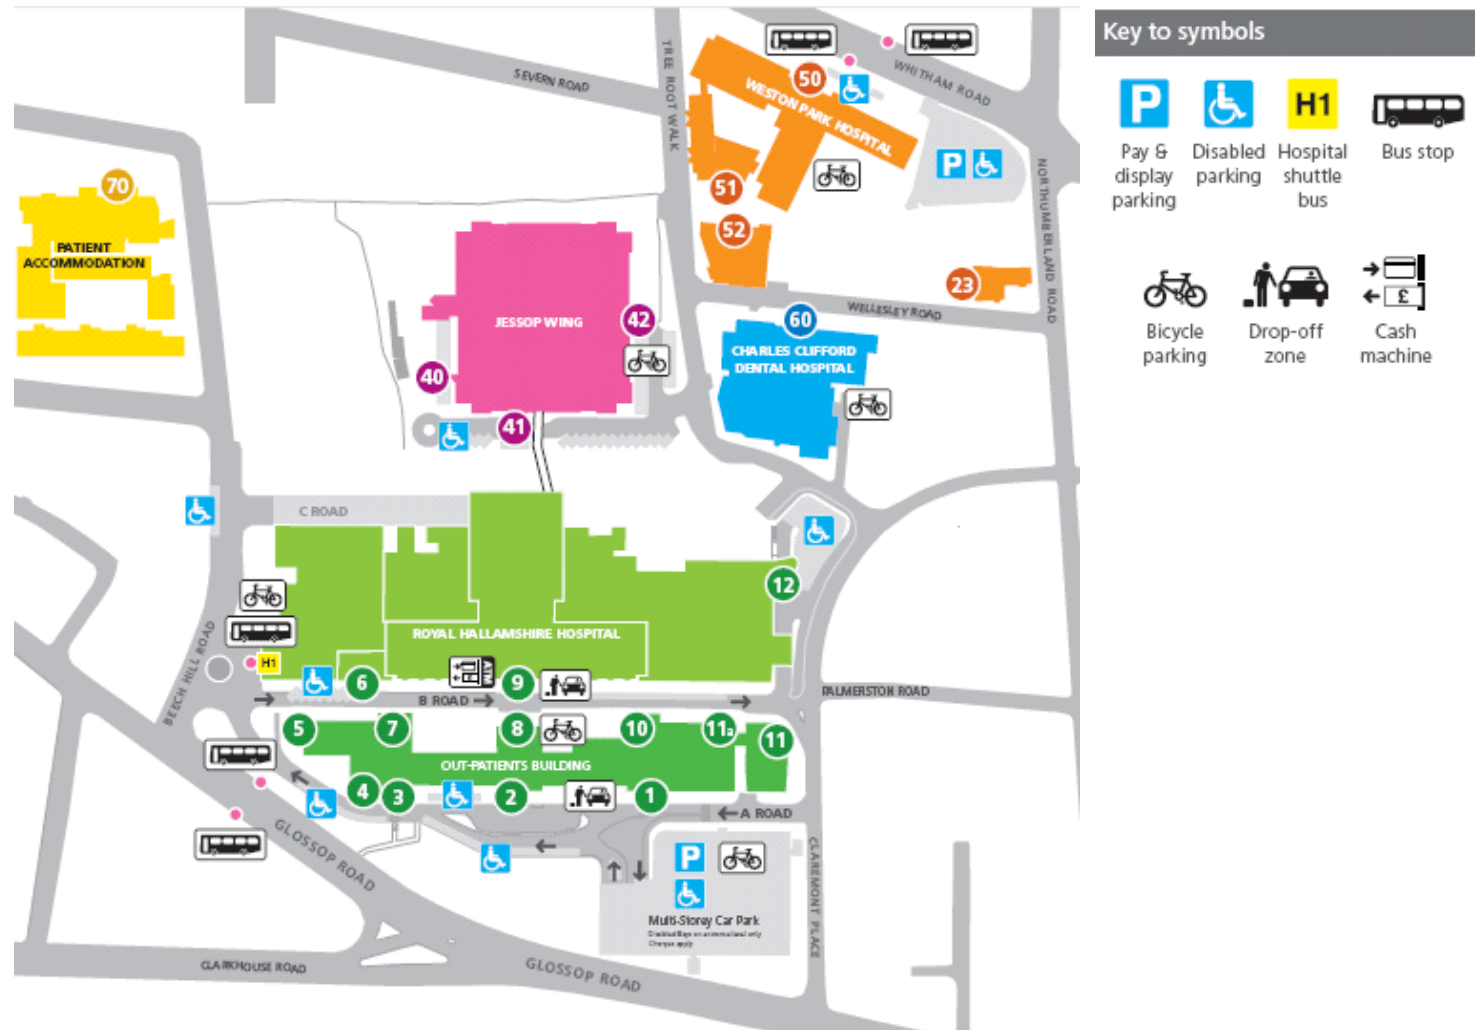

All our hospitals are well served by public transport, with several bus stops within easy reach.

Supertram can be used to reach the Royal Hallamshire, Jessop Wing, Charles Clifford and Weston Park Hospitals, although there is a 10-15 minute uphill walk from the nearest stop (University).

Up to date information about public transport links and Park & Ride sites is available from Travel South Yorkshire.
