

Contact details for **KIDNEY** transplant centres

This list identifies all the transplant centres in the UK and the region that each covers. If you are donating to a family member or friend, please contact the living donor coordinator in the transplant centre where your intended recipient is likely to be transplanted. If you wish to donate to someone you do not know as a non-directed donor, please use the on-line form on this website to register your interest with the transplant centre closest to where you live.
