Blood and Transplant

Contact details for UK living **LIVER** transplant centres

This list identifies all the transplant centres in the UK and the region that each covers. ***If you are donating to a family member or friend****, please contact the living donor co-ordinator in the transplant centre where your intended recipient is likely to be transplanted.*

If you wish to donate to someone you do not know as a non-directed donor*, please use the on-line form on this website to register your interest with the transplant centre closest to where you live.*
