Arriving By Car

There are very limited onsite parking facilities, so we recommend using the NCP and council car parks within walking distance (see page 1).

There are four disabled parking bays directly outside the main entrance to the BHOC. These spaces cannot be reserved.

Using Public Transport

There are various car parks which offer a shuttle bus service:

Rupert Street NCP – BS1 2PY

Prince Street NCP – BS1 4PH

Broadmead Lower Castle Street NCP – BS1 3AF

Queen Charlotte Street NCP – BS1 4ES

Trenchard Street BCC – BS1 5AN

There are also three park and ride services that go to the BHOC:

Long Ashton - BS3 2HB

Shirehampton (off the Portway) - BS11 9QE

Brislington (on the Bath Road) - BS4 5LR

There is a free hospital shuttle bus service connecting the hospital to Temple Meads railway station - a bus timetable is available on request.

Entering Through the BRI Main Reception

Take the corridor to the left of the reception desk and follow signs to zone D. When you reach the lift on your right go up to level 3. Turn left out of the lift and follow the corridor, through double doors, to next set of lifts. Go up to level 7 and turn left, continue straight and report to the day unit reception area.

Entering Through the BHOC Main Reception

Once through the rotating door at the entrance take the lift directly on your right to level 7. Turn right out of lift for day unit reception area.

Alternatively at the rotating doors continue straight until you reach some lifts on your right. Take the lift to level 7. Turn left out of the lift and continue straight until you reach the reception area.
