

**PARTICIPANT CONSENT FORM**

Exploring pregnant women and professional perspectives on use and adherence to oral iron during pregnancy

Participant Study number.....

**Chief Investigator:** Prof Simon Stanworth

**Lead Investigator:** Dr Fabiana Lorencatto

Please initial against each statement

1. I confirm that I have read and understood the Participant Information Sheet dated ..... version number .... for the above study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.	Initials
2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving reason and without my medical care or legal rights being affected. I understand that I can withdraw my data up to the point of it being anonymised.	Initials
3. I understand that the research interview will be recorded to help the researcher remember what was said and that the recording will be deleted once a checked, written transcript is produced.	Initials
4. I understand that data collected about me during this study will be anonymised and stored on the study database at the University College London for use by the research team to enable them to analyse the data.	Initials
5. I consent that information collected about me as part of this study can be shared anonymously with the PANDA research team to support the future parts of the research programme.	Initials
6. I understand that the results of this study might be published, including the use of direct quotes from anyone involved in the interview, but the quotes will not include my name or any other identifying characteristics.	Initials
7. I agree to take part in this study.	Initials
