

Ordering leaflets & request forms for the fetal *RHD* screening test

Leaflets and request forms can be ordered via our [online HUB](#), please see the [guidance document](#) for general instructions:

Ordering leaflets

Type into the search field *D negative mothers* and the leaflet should come up. You can order **50 leaflets per pack**. Please do not order more than you would need in a year.

The screenshot shows the NHS Blood and Transplant website interface. The top navigation bar includes the NHS logo, 'Blood and Transplant', and a user account for 'Erika Rutherford'. Below the navigation bar, there are 'Home' and 'Products' links, and a search bar. The main content area is divided into 'Filters' and 'Search results'. In the 'Filters' section, the 'Keyword' field contains 'D negative mothers' and the 'Type' section has 'Product' selected. The 'Search results' section shows 23 articles found. The first result is 'MI535.3 D-Neg Mothers Blood Test Leaflet (Pack of 50)', created 2 years ago by Sarah Ludlam, with 211 views and a 'Free' status. The second result is 'BLC683 A Wealth Of Knowledge Booklet - Downloadable', created 3 years ago by Customer Services, with 154 views and a 'N/A' status. The third result is 'BLC783P Convalescent Plasma Donation Patient Information Card (Pack of 100)', created 4 months ago by Sarah Ludlam, with 40 views and a 'Free' status.

Ordering Request Forms

Type into the search field *fetal RHD screen* and the request form should come up. This is ordered individually – please don't order more than you would need in a year.

The screenshot shows the NHS Blood and Transplant website interface. The top navigation bar includes the NHS logo, 'Blood and Transplant', and a user account for 'Erika Rutherford'. Below the navigation bar, there are 'Home' and 'Products' links, and a search bar. The main content area is divided into 'Filters' and 'Search results'. In the 'Filters' section, the 'Keyword' field contains 'fetal RHD screen' and the 'Type' section has 'Product' selected. The 'Search results' section shows 2 articles found. The first result is 'MI534.3 Request For Cell Free Fetal Screening Form Specimen Bag', created 11 months ago by Laura Howell, with 100 views and a 'Free' status. The second result is a 'Welcome' message, created 3 years ago by Customer Services.

If you have any enquiries regarding ordering leaflets or request forms for fetal *RHD* screening please contact Erik Rutherford at erika.rutherford@nhsbt.nhs.uk.
