

## **Aileen Feeney**

Aileen is a Non-Executive Director of Berkshire Healthcare NHS Foundation Trust (since November 2019) which provides mental and health community services to 900,000 people with 4,500 staff. She is also a Justice of the Peace and a Trustee of Oakleaf Enterprises - a mental health charity and social enterprise. Her executive career culminated in May 2019 as the Chief Executive at Fertility Network UK where she was the patient advocate for the British Fertility Society, which entailed close working with the Human Fertilisation & Embryology Authority and the NHS. During this time Aileen sat on multiple clinical research groups and chaired several patient groups; she also raised the public profile and awareness of fertility issues and worked with Ministers and MPs. Previous roles have included that of interim Director of Operations and Director of Finance at Make-A-Wish UK (2016-2017), five years at SAP, predominantly in Global Strategy & Marketing (Oil & Gas) and CIO, British Gas Business at Centrica Plc (2003-2010).
