

UK Living Kidney Donation Network Meeting

Wednesday 27th April 2022

10.00 – 16.30

Jury's Hotel, 245 Broad Street, Birmingham B1 2HQ

2ND ANNOUNCEMENT

PROGRAMME

Joining the Teams: Kidney Care Planning to Living Donor Transplantation

This meeting is designed to bring MDT colleagues from transplant and non-transplant centres working in advanced kidney care and living donation together to

- Share knowledge and experience
- Increase expertise in dealing with complex cases in living donor transplantation
- Learn how to inform and counsel living donors and recipients to make the most of every opportunity for living donor kidney transplantation (LDKT)
- Plan and optimise resources to support the best outcomes in LDKT
