

# The gift of sight

Laura has had cornea transplants in both of her eyes; "I feel forever grateful to my donor and their family. I can now see my son's lovely little face!"

 Almost anyone can donate their corneas to help people see again.

# Rhoddd golwg

Mae Laura wedi cael trawsblaniadau cornbilen yn ei dwy lygad; "Byddaf yn teimlo'n ddiolchgar am byth i'm rhoddwr a'u teulu. Erbyn hyn dwi'n gallu gweld wyneb bach hyfryd fy mab!"

 Gall bron unrhyw un roi eu cornbilennau i helpu pobl i weld eto.
