4. Learning from reports

In the period since the last LAG meeting there are no relevant cases currently to report to LAG for discussion or oversight

5. Incident trends noted

NHSBT were notified by Bridge-to-Life; the supplier of UW® Cold Storage Solution that several NORS teams had contacted them regarding discolouration of the solution and/or leaking within the solution bag overwrap.

An investigation is ongoing and the ODT Commissioning Team and key stakeholders are working closely with Bridge to Life. The OTDT Quality Assurance Team are also linked with relevant regulators. All NORS teams have been advised that for the interim period to switch to HTK as an alternative perfusion fluid and amend volumes as required. The Perfusion Protocol has been updated, circulated and is available on the ODT website.
