Matt Bend - Head of Blood Stocks Management Scheme

Please update your email address in OBOS and SpICE if it changes, to continue receiving password resets

If you forget your password and request a new one, a temporary password is sent to the email address saved to your profile, so it's important the email address is your current one.

You, or your administrator, can update account details - you'll find instructions in the user guides:

- [OBOS user guide, see page 48](#)
- [Sp-ICE user guide, see page 28](#)

Craig Wilkes - Lead Specialist, Process Improvement

The OBOS training website requires a fix to a 'bug' This will be fixed week commencing 10 July 2023

When you send an order the bug causes a page to display which advises 'Your order has not been sent to Pulse due to a communication failure between OBOS and Pulse'.
