

Trentham

Stone Road, Trentham,
Stoke-on-Trent
Staffordshire ST4 8JG

Trentham is a special place. 725 acres of spectacular natural beauty and home to award-winning gardens, glorious ancient woodland, a unique outdoor shopping village, events galore and so much more.

In March 2022, a very special event took place - in which over 200 donor family members attended the unveiling of a sculpture created by artist Robin Wight, whose work has been on display at Trentham for many years.

The sculpture, named 'Beyond Ithaka - The Gift of Life' was created to honour those who have given the gift of life to others through organ donation, whilst also providing a place of peace, solace and contemplation for their families and loved ones.

To ensure that this remains accessible to all who have supported their loved ones in becoming an organ donor, Trentham will allow free access to the Gardens for anyone who presents a gold pin at the admissions desk, given to them by NHSBT.

Opening hours

Sunday - Thursday 9am-8pm

Fridays & Saturdays 9am-4pm

Please check on our website for the latest opening times prior to setting out on your journey.

www.trentham.co.uk/

* Between Thursday 1st – Sunday 4th September the Gardens close at 3pm and last entry is 2pm.

Please note that some activities within the Gardens operate seasonally and are limited during the winter months. These include the Barefoot Walk, Maze, Boat, and Train.

South Gardens Entrance opens from 9:30am – 4pm daily with last entry at 3pm.
