Following our recent visit, we are pleased to inform you that all improvement actions raised requiring evidence to be submitted to UKAS are now satisfactorily cleared and that your accreditation is maintained. Any outstanding invoices for clearance of improvement actions will follow.

Your current scope of accreditation is shown on your schedule which is available from our website www.ukas.com. Please contact your Customer Liaison Officer in the event of any difficulty in downloading the schedule.

Our next visit is planned for **April 2024** and we will contact you nearer the time to make arrangements.

If you want to extend your scope in the future please contact us to discuss your application and the timeframes that you need to obtain accreditation because the extension to scope process can often take several months to complete. You are reminded that you are required to inform UKAS of any changes that may affect your accreditation or compliance with the accreditation requirements.

Yours sincerely,
