ODT Clinical Governance Report November 2023**

1. Status – Confidential

2. Action Requested

LAG is requested to note this report

3. Data

4. Learning from reports

In the period since the last LAG meeting there are no relevant cases currently to report to LAG for discussion or oversight

Some recent cases have highlighted a requirement to share NHSBT Organ Donation Management Team On-Call Contact Details. Any questions or concerns transplant colleagues have regarding proceeding donors/cases can be directed in the first instance to the NHSBT Organ Donation Management Team On call. They will then be able to liaise with the staff directly involved and escalate to NHSBT Director on Call if required.

They can be directly contacted 24hrs a day via a pager: **07623 512222**.
