**SCOUT PROJECT PHASE 2 DATA COLLECTION**

- 1 Phase 2 of the Scout Project began on 1 April 2015.
- 2 An electronic data collection form designed by a Working Group led by Mr Steven Tsui and Mrs Karen Quinn has been distributed to retrieval teams and Specialist Nurses in Organ Donation (SNODs).
- 3 The form must be completed for all donors that fulfil the scout attendance criteria, irrespective of whether a scout attended or not.
- 4 For donors where a scout attends, the scout must complete and submit the form and for donors where a scout does not attend, a SNOD must complete and submit the form.
- 5 The form and supporting user guidance documents are attached below.
