

NHS BLOOD AND TRANSPLANT

LIVER ADVISORY GROUP

OUTCOME OF APPEALS PROCESS

INTRODUCTION

- 1 This report provides information on all patients referred to the National Appeals Panel over the 6-month period from 1 May 2013 to 31 October 2013 and the outcome of the appeal together with the patient's status as at 1 November 2013.

OUTCOME

- 2 Between 1 May 2013 and 31 October 2013, nine patients were referred to the National Appeals Panel.
- 3 Five patients were from King's College and all were accepted for registration. Three patients were registered onto the super-urgent list; two were transplanted and one was removed from the list due to condition deteriorating. Two patients were registered onto the elective list and both were transplanted.
- 4 Two patients were referred from Leeds. One of the appeals was for super-urgent ABO incompatible transplantation which was accepted and the patient was transplanted. The other appeal was subsequently withdrawn.
- 5 One patient was referred from Cambridge for a super-urgent liver and bowel transplant and was accepted and transplanted.
- 6 One patient was referred from the Royal Free for a super-urgent liver transplant and the appeal was accepted.
