

## **NHS BLOOD AND TRANSPLANT**

### **LIVER ADVISORY GROUP**

#### **OUTCOME OF APPEALS PROCESS**

##### **INTRODUCTION**

- 1 This report provides information on all patients referred to the National Appeals Panel over the 6-month period from 1 May 2014 to 31 October 2014 and the outcome of the appeal together with the patient's status as at 10 November 2014.

##### **OUTCOME**

- 2 Between 1 May 2014 and 31 October 2014, twelve patients were referred to the National Appeals Panel.
- 3 Five patients were from King's College and three were accepted for registration. The remaining two were recently accepted and the outcome is in the process of being communicated to the applicants. Three of these five patients have been registered onto the elective liver transplant list and are currently active.
- 4 One patient was referred from Leeds and the appeal was accepted. The patient was registered onto the elective liver transplant list and is currently active.
- 5 One patient was referred from Cambridge for a super-urgent liver only re-transplant, which was accepted and transplanted. The patient is alive three months after transplantation.
- 6 Three patients were referred from Edinburgh for elective liver transplant. Two cases were declined and one was accepted. The registered patient is currently active.
- 7 One patient was referred from the Royal Free for elective liver transplant and accepted. The patient is currently active.
- 8 One patient was referred from Birmingham. The appeal was accepted and the patient was registered onto the elective liver transplant list; currently active.
- 9 The details of these appeals are presented in the supplementary table.
