

The Update for July 2024

Patient Information Leaflets' accessibility improved for users

The Patient Blood Management patient information leaflet webpage has been updated. It has a more intuitive format and new accessible versions of the leaflets are being developed to include:

- Screen reader
- Audio / video
- Easy read
- Translations
- Printer-friendly

July update on RCI reports being available from Sp-ICE only, from 1 April 2025 New toolkit coming soon

We are developing a toolkit to support hospitals through the transition from receiving paper reports to accessing them on [Sp-ICE](#) only.

The reports will no longer be distributed by RCI laboratories by 1 April 2025.

If you have any queries please email reportcessation@nhsbt.nhs.uk

Please see our [our last communication \(June\)](#) for information about accessing Sp-ICE.
