

The Update for December 2024

Register your interest in attending scientific and clinical courses for courses starting April 2025

All dates for scientific and clinical courses are now available in the [Transfusion Science Academy](#) or [Transfusion Medicine Academy](#) on the Learning Centre website.

Booking is due to open 1 April 2025, but in the meantime you can add yourself to the waiting list to receive updates and be notified when booking opens.

[Complete this form to be added to the waiting list](#)

If you can't find what training you're looking for, please get in touch using [the form](#) on the Learning Centre.

Alison Hines - Scientific and Clinical Training and Education Manager

Are you thinking of studying for a MSc in Applied Transfusion and Transplantation Science?

Join our Q&A session on 7 January 2025, 1pm to 2pm

If you are interested in studying the MSc, please join our session (via Teams) next year to find out more.

We offer this degree in conjunction with the University of the West of England (UWE), and applications are opening soon, for September 2025.

Information is available on the [UWE Bristol website](#) or you can email on mscappliedtxtp@nhsbt.nhs.uk

We hope you can join us in January.

Ruth Evans - Scientific and Clinical Training and Education Lead

.../continued

RCI Assist awareness sessions

Join an online session in January to find out more

[RCI Assist](#) is a support tool to guide hospital laboratory staff to either refer a sample to RCI or process the sample in-house.

Come along to one of our online sessions in January and see how to use it.

[Register to attend](#)

Helen Thom - RCI Development Lead. Transfusion 2024

The Update is produced by Hospital Customer Service on behalf of NHS Blood and Transplant
