¹ In case of a multi-country trial, if the national and global end of trial dates are different, the sponsor shall submit this form two times:

1) At the end of the trial in the UK, section C1.1. shall be completed and submitted to the MHRA.

2) At the global end of the trial, the sponsor shall complete section C.2.1. with the global trial end date and the completed form shall be submitted to the MHRA in order to allow the sponsor to prepare the trial result summary within the 12-months (or 6-months in case of paediatric trials) timeframe.

If the national and global end dates coincide, the form shall be submitted only once to the MHRA with both sections C1.1. and C2.1 complete.
